BCCC Meeting Notes

May 9, 2005

Guests:

--**Sandy Morris/PAL**. **Sandy** was there to bring more flyers for the upcoming PAL event on May 14th and to answer any questions regarding the event. She also invited everyone to come to the Sonic Drive-In downtown on Wednesday morning from 5-7am for the live broadcast with Channel 17 to advertise the event.

--**Mike Hatcher/Central Valley Sportsmen & RV Shows**. **Mike** came to announce the date for the 2006 event at the Kern County Fairgrounds which is the weekend of Feb. 10-12. He also asked the BCCC to consider having a two-day event for 2006 plus he had more news....he is willing to change where he has us at the event to the south runway as you enter the Fairgrounds (we will be coming in at the Ming entrance) all around to the Bud Pavilion area. He also said he had talked to a local guy who is a DJ and was willing to donate his services to provide our car show event with '50s & '60s music! The hours we would need to fill for doing a 2-day event would be from 10-7 on Saturday, Feb. 11 and 10-5 on Sun., Feb. 12.

Mike has already begun promoting this event and asked us if we would commit and we took a vote of all Reps. present and voted to do the 2-day event so that Mike could get our event listed in flyers he is already having made. He also invited us to come to his Fresno event on March 24-26, 2006.

But wait, there's more....in addition to all this new area we will have available to us, we will also get use of one of the buildings, I believe it is called the "Harvest Hall". And, Mike said he would make available vendor spaces outside that would be sold exclusively to car part dealers for either a 10x30 space for \$375 for all three days of event or 10x10 for a lesser fee and this money that he could get for these spaces would go to our cause!! Be thinking of ways to expand the Super Cruise Car Show into a 2-day event. We will need to get a committee together soon to start planning. If you would like to be on this committee, please come to the June BCCC meeting and let us know.

After **Mike** was finished with his presentation, and since this was the first time we have gotten to see him since the February Super Cruise Car Show, we took it upon ourselves to present **Mike** with his appreciation plaque for all his help in allowing us to become a part of his event. He was thrilled to be recognized.

Event Review/Wrap-Up:

--Kern County Model T's "Bakersfield National Swap Meet", Apr. 14-16, Kern County Fairgrounds. **Roy Romagno** reported there were 100 Mode T's here this year. The Swap Meet was a success with 400 spaces filled.

--Taft Rotary Car Show, May 7, Buena Vista High School. **Debbie Launer** reported about 40-50 cars were there and they had nice trophies and a Peddler's Fair. The **Pontiac Club** and **Camaro Club** were there along with some street rods.

--Morro Bay Car Show, May 7-8, Morro Bay. There were a lot of car there this year. They turned away 200 cars last year. Weather was good.

Upcoming Events:

--11th OFCC "Bobby Socks & Blue Jeans" Car Show, Sat., Jun. 4, Wasco High. Wayne Gann said all entries also get (2) pit beef BBQ lunches included and they are going to have a raffle as well as a silent auction. They will be raffling off a 350 Chevy motor. Event is open to any model.

--1st Blitz Open Car Show presented by **El Caminos Club of Bakersfield**. **Richard Lopez/El Caminos Club of Bakersfield** reported their club took up the sponsorship of this event and it will be on Friday, June 10, at the Rabobank Arena from 1-7pm. Entry fee to show your vehicle is \$40 which includes 4 tickets to the game that night. This will be a televised event and best 3 vehicles of the show will go into the arena at halftime and be voted on by audience at game. There are 210 spots available to enter car show. Ten guards will be on hand to guard show vehicles plus help from the Taft PD. He got Tulare, Kings County and Fresno to sponsor Best Awards. He also stated that **El Caminos Club of Bakersfield** are currently deciding on their charity and looking at Edison Middle School and they would like to do a grocery run around Christmas and Thanksgiving. For further info on this event, contact **Richard** at 472-5731.

Other Items of Interest:

--We started having a door prize drawing at this May BCCC meeting. **Debbie Launer/Car Quest** was nice enough to donate the first prize. The lucky winning number drawn belonged to **Richard Hedrick/Old Friends of Bakersfield**. Now the way this works, **Richard** will be bringing a door prize for the June meeting. It doesn't cost a thing to play.

--Do we want to have BCCC meetings for the months of July and August? Judging from the turnout of Reps at the May meeting and with all the events that occur in the summer months, a vote will be taken at the June meeting to decide.

--Update on **Rudy Gallups**, reports are he is back home in Bakersfield recuperating from the VA hospital down south.

--Received notice from **John Halstead** that, unfortunately, the BCCC website has recently fallen victim to hackers. He said fortunately the entire site was not destroyed. He said he will be working on restoring it as soon as he can.
