BCCC Meeting Notes  
September 12, 2005

Guests:

--**Art Carlock/Hwy. 99** stopped by to let us know about an upcoming event honoring Kay & Harold Meek that the DBA & Hwy. 99 will be putting together for Oct. 13<sup>th</sup> at the McMurtrey Center downtown. The Meeks and Three-Way Chevrolet have been gracious enough to allow the BCCC Council meetings to be at their establishment over the years so if anyone is interested in being a part of this affair, please contact **Art** at 589-0947. **Art** also shared with us that we should watch on Friday night, Oct. 21<sup>st</sup> (opening day of Hwy. 99 event) for the fly-over!

--**Kim Sherlock/Alzheimer's Disease Assoc. of Kern County** brought flyers and brochures to advertise their upcoming "Memory Poker Ride" on Sat., Oct. 15<sup>th</sup>. She let us know that all the funds/proceeds raised stay here in Kern County and also stated that people in their 40's are now contacting the disease!

BCCC New Spokesperson Elected: Our next order of business was to nominate and elect a new BCCC Spokesperson to replace **Rudy's** vacancy. **Bette Addington** put in a recommendation/nomination for **Richard Lopez/El Caminos Club** and **Richard** accepted and all those present at the meeting approved **Richard** for the position. **Richard** started his position at that point, came up front and helped run the rest of the meeting.

Event Review/Wrap-Up:

--**Wayne Gann/OFCC** said he went to "Run to the Pines" run at the end of July and said it was nice and they were going to open it up to later classes for next year.

Upcoming Events:

--**Vintage Ltd.** FREE Swap Meet, Sat., Sept. 17<sup>th</sup>, Mesa Marin parking lot. Event will be from 6am to 1pm this year.

--**Vintage Ltd.** annual "Fun in the Sun" Rod Run, Sun., Sept. 18<sup>th</sup>, Kern Co. Museum. Event registration is from 8am-9:30am.

--**Old Friends of Bakersfield Car Club's** 3<sup>rd</sup> annual "Fabulous Fifty's Fun Car Show", Sat., Oct. 8<sup>th</sup>, Olive Knolls Church. They have event t-shirts for sale for \$12 plus are looking for sponsors for Merchant plaques that go for \$50 and they need to have these all in by Oct. 1<sup>st</sup>. Move International is this event's charity.

Other Items of Interest:

--Fred Evenson spoke on the latest issues from ACCC. He said it costs \$1500 per year to have a part-time lobbyist in Sacramento. This is why it is important for all clubs to consider joining ACCC to help support this lobbyist. ACCC will be having their bi-annual conference coming up the first of November at the SEMA show in Vegas. One issue going on is license plates. They are looking at having them come out of a vending machine rather than being stamped like they have been all these years (this is a future thought). Another issue is related to smog sensors and having these remote sensors installed on highway on-ramps to crack down on cars polluting.

--Mesa Marin replacement? It was brought up that there is talk about a possible ¾ mile banked oval being built somewhere near Buttonwillow Raceway on some farm land donated by DeStenfani and it will be open in two years. Marion Collins has been approached to be a part of this new track. We'll keep you posted.

--September BCCC meeting door prize drawing was won by **Grant Schofield/PT Cruisers**. Now the way this works, **Grant** will be bringing a door prize for the October meeting. It doesn't cost a thing to play.

--On the October meeting agenda. We need to get the various committees going for the 2006 Super Cruise Car Show event. Reps. check with your clubs to see what committee your club would like to do. Committees include:

--Raffle

--50/50 & Event t-shirts booth

--Car Parking & Gate Control

--Food

--Awards & Event Donations

--Registration & Car Show Entries

--Special Event

These committees may be modified as the event draws closer, but it would be nice to start assigning the various clubs who want to run a committee together at the October BCCC meeting since the event is in early February so we can be better prepared this year.

Also, we need to start to figure out how and what we are going to do schedule wise for the two days we are at this event (Feb. 12 & 13). Do we want to have the Super Cruise Car Show on Sunday? Do we want to have a Cruise on Saturday? What about a chili cook-off on Saturday? Do we want to have some sort of club challenge on Saturday?? Things like this. We need to be working on this so we can put everything in place soon. **Mike Hatcher/Central Valley RV & Sportsman Show** has been starting the groundwork to get car-related vendors at the event that will be near our area. Our area this year will be around the Budweiser Pavilion so we will be able to use this outdoor stage however we want. Does that give any of you some ideas?? **Mike** also has gotten a local guy that will DONATE his services as a DJ and be out there to play oldies tunes in our area. So, put those thinking caps on and bring your ideas to the October BCCC meeting to share with everyone else!

On a sad note, our sincere condolences to **Mike Hatcher** who recently lost his mother.
