Notices:

BCCC April Council Meeting will be on Monday, April 10<sup>th</sup>, at Three-Way Chevrolet on California Avenue, starting at 6:30pm.

Please check out the BCCC website ([www.bakersfieldccc.com](http://www.bakersfieldccc.com)) for the latest pictures from the 2006 Super Cruise event as they are now posted. PLEASE NOTE: JOHN HALSTEAD/CAMARO CLUB HAS RECONSIDERED AND IS GOING TO STAY ON AS OUR WEBSITE'S WEBMASTER FOR OUR BCCC WEBSITE. And, this just in from John:

To my fellow car club members,

My name is John Halstead and some of you may have met me at the many local car events. I am the president of the Bakersfield Camaro Club and also develop and manage web sites. I am currently the webmaster for the Car Club Council as well as many other websites. I would like to offer your club my services to register your club's domain name, build your site, and manage it if requested. Depending on the size of the site, this service usually costs between \$500 and \$1000 but for the other local car clubs I will register and construct your club's website for \$125. This is considerably less than what I normally charge and this price is only offered to the non-profit local car clubs.

If you need monthly management of your site (updates), that can also be arranged for a small monthly fee. If you would like to have someone in your own club do your site updates, I would be happy to train them on how to do it. Give me a call on my cell phone (747-0137) or email me at [kwondo@kwondo.org](mailto:kwondo@kwondo.org) if you would like some additional details. Please visit our club site if you would like to see an example of my work [www.bakersfieldcamaroclub.com](http://www.bakersfieldcamaroclub.com) or as always the Council's site at [www.bakersfieldccc.com](http://www.bakersfieldccc.com)

Thanks , John.

BCCC Website. Our thanks to John Halstead/Bakersfield Camaro Club who graciously put a website together for the Bakersfield Car Club Council with a lot of great features including a forum. However, all good things do come to an end, and we are currently needing a new Webmaster for our BCCC website (please see note above). Check it out at [www.bakersfieldccc.com](http://www.bakersfieldccc.com) and let us know what you think. Special thanks to Bakersfield Camaro Club for being our website sponsor as well as manger! All BCCC clubs with websites can have a link off this website also. The possibilities are endless! If you would like your club's website link on this website, please send John your address at [webmaster@bakersfieldccc.com](mailto:webmaster@bakersfieldccc.com). Also, the website forum is up and running and you will be able to download the BCCC's latest newsletter. Why not take the forum link and jump into the conversation?

HOT AUGUST NIGHTS DATES: 2006 – July 29-August 6; 2007 – August 4-August 12;  
2008 – August 2-August 10.

BCCC Monthly Newsletter now available via email. We are now sending out the BCCC Newsletter via email to local Club Reps. to help save postage costs. If you would like to also be included to receive the monthly newsletter, just email me ([baddington@addington.net](mailto:baddington@addington.net)) and I will get you on the list to receive it each month. Note: For those of you having trouble downloading the newsletter, is it possible for you to update your Acrobat Reader to version 5 or the latest version? Updating is FREE! If you cannot open the newsletter, it is probably because you have Acrobat Reader 4.

CLUB PICTURES: If your club has some pictures from a recent event you attended you would like to share with the BCCC to put in an upcoming issue of the BCCC Newsletter, please feel free

to submit them via email to Bette Addington before the start of each month. Please understand that we have a restricted area to put pictures each month but will make every effort to publish different clubs when room is available.

ATTENTION ALL CAR CLUBS: We need your club's meeting date information so we can update the listings in the Californian's Saturday AutoMart Club Calendar section. Please either email me, fax me, or phone me with the following information so we can get this section updated and correct: Club name, monthly meeting day, time, location and name of a contact person. You can email me at [baddington@addington.net](mailto:baddington@addington.net), fax me (327-7204 & put attention Bette), or phone me (327-1690, ext. 14 & leave a message on my voicemail. Thank you!

The BCCC is currently soliciting newsletter sponsors for 2006. If you know of a business who would like to be listed as a BCCC sponsor, please contact Bette Addington. Cost is \$60 per year for a business card ad and sponsor receives monthly BCCC newsletter. We will also be inviting our current 2005 BCCC Sponsors to be involved with the upcoming BCCC Super Cruise Car event in February, 2006. And, something NEW!!!! If you would like to become a sponsor on our BCCC website, cost is \$50/mo., \$170/6mo., or \$340/yr.

Is YOUR club event not listed? If so, it's because I am not receiving the information to put it in this calendar. Please either fax me a flyer (661/327-7204) or e-mail info to me ([baddington@addington.net](mailto:baddington@addington.net)) by the 20<sup>th</sup> of each month to get put in the following month.

## BCCC Meeting Notes

March 13, 2006

*For updates/information on upcoming events and current/past BCCC newsletters, please check out the BCCC website at [www.bakersfieldccc.com](http://www.bakersfieldccc.com).*

Guests: **Mary/Van Horn School.** **Mary**, who is the Treasurer of the Parent Club at Van Horn School was our first guest of the evening. She was there on behalf of their upcoming inaugural Car Show on Mar. 18<sup>th</sup>. She just said the show would go on rain or shine and let us know the kids just had a judging class so they learned the do's and don'ts of judging the cars and are ready for us and also wanted to let us know how much they appreciated the BCCC's support in helping them get this event going this year. The show will also feature an art auction of pictures drawn by the kids from Kindergarten to 6<sup>th</sup> grade.

--**Allyn Harrington/Society for Disabled Children.** **Allyn** zoomed in to our meeting before she was heading to a Society board meeting. The official check presentation was to **Allyn** for a check in the amount of **\$12,231.00** for the 2006 Super Cruise Car Show event. **Allyn** was pleased and once again thanked all of us for conducting our Super Cruise event to support the Society's summer camp "Blue Jay". The Society's annual "Easter Eggstravanza" is sold out this year and will take place in early April.

--**Leroy Kelly/Rollin' Relics of Porterville.** **Leroy** came and brought flyers for his club's upcoming 6<sup>th</sup> annual "**Rollin' Relics Car Show**" on Sat., May 6<sup>th</sup> at Veteran's Park in Porterville. The **Rollin' Relics** brought 12 cars down to the Super Cruise Car Show and now want to become part of the BCCC! They have been in existence for 6 years now and are a group of guys who more or less grew up together and now that they all have cars, they are back together to do car events. Last year their club donated \$40k to kids' charities. They have a Cruise night on the first Friday of every month and meet at the Pizza Factory on Henderson starting at 6pm. They have a 50/50, Raffle and pick of the month. Their club also has an annual Car Poker Run on the 2<sup>nd</sup> Sat. of September which is about a 100 mile outing. **WELCOME ROLLIN' RELICS!!**

--**Lee Patterson & President of Taft Rotary/Taft Rotary Car Show.** Also on Sat., May 6<sup>th</sup>, Taft will be having their annual "**Rotary Car Show**". Flyers and posters were presented. The event will be held on an all-grass field. Event is growing every year.

### Event Review/Wrap-Up:

--'06 Super Cruise Car Show event – Feb. 11-12, 2006, Kern County Fairgrounds. We discussed openly the good and bad points of this year's event. Everyone was disappointed that we did not generate more money being we expanded the event this year into a two-day event. We had hoped that being the weather was so nice that weekend, Sunday's attendance would have been just as good as Saturday's but that was not the case. We had approximately 200 raffle gifts for both days and that included the cases of Pepsi sport drinks donated by Mike Hatcher. If all clubs would have stepped up and donated raffle gifts, we should have had way more to raffle off. On the positive side, we had a good group of

people help work the event this year and participants had a good time and we had an excellent array of cars. The Model A Ford Club, as the feature club, came out in force and it felt like Rudy was there amongst us all. **Debbie Launer/Model A Ford Club & Vintage Street Rods**, did an excellent job speaking about Rudy on Sunday. Also on Sunday, practically all the cars that were picked for the Merchant Awards came back and were presented their plaques at the awards ceremony.

Upcoming Events:

--No one was present to discuss the rain-delayed Goodguys March Meet. Although no one was there from the Moose, several mentioned the "Cruisin' for a Wish" Car Show and that they planned to attend. No one was there on behalf of the Fairfax School "Springtime Show 'n Shine" but entry forms were available.  
--BCCC Website/Webmaster. We are currently looking for any business who would be interested in posting their ad on our BCCC website for \$50 per month.
